Escondido California – March 19, 2007 – RehabWest, Inc, (RWI), a business specializing in workers' compensation managed care received **national** certification as a Women's Business Enterprise by the Women's Business Enterprise Council - West (WBEC), a regional certifying partner of the Women's Business Enterprise National Council (WBENC).

WBENC's national standard of certification implemented by WBEC is a meticulous process including an in-depth review of the business and site inspection. The certification process is designed to confirm the business is at least 51% owned, operated and controlled by a woman or women.

By including women-owned businesses among their vendors, corporations and government agencies demonstrate their commitment to fostering diversity and the continued development of their supplier/vendor diversity programs.

"We are honored to receive this award from WBENC. Our certification assists our business partners meet their supplier diversity goals and at the same time, provides RWI a springboard for new business development," remarked Sharon Douglas, CEO.

About WBENC

The Women's Business Enterprise National Council is the nation's largest third party certifier of businesses owned and operated by women in the United States. WBENC is a resource for the more than 700 US companies and government agencies that rely on WBENC's certification as an integral part of their supplier diversity programs.
